City Government of Makati (CGM)
Specific Contributions as CityNet Executive Committee Vice-President (2018-2021)

Pursuing City-level Management Towards Disaster Resilience

- Mainstreaming DRR in planning using Making Cities Resilient (MCR) tools
- Strengthen community-based DRR
City Government of Makati (CGM)
Specific Contributions as CityNet Executive Committee Vice-President (2018-2021)

- Advocacy for Smart Cities Initiatives dubbed as i-Makati
- Push for Policy-driven CITYNET such as the implementation of People-friendly Cities Initiative that can be replicated (e.g.: Makatizen Card and App)
- Mainstream SDGs at the local level
- Strengthen Institutional Leadership and Organizational Units
- Resource Generation

*Makatizen App is a digital citizen app that aims to bring various local government services closer to people while Makatizen Card is a multi-purpose ID that can be used as payment for financial services to government institutions, stores and ambulant vendors as well as receive government salaries, cash allowances, and other cash benefits.
