Please explain why your city/organisation wishes to apply for the position of Vice President of CITYNET.

The City Government of Makati has been a member of CITYNET since 1991 and became an Executive Committee member since 1993. It was in 2009 when the City had been elected as 2nd Vice-President and holds the position up to the present.

Ever since Makati has been actively participating in the network’s activities such as Executive Committee meetings, trainings/seminars, workshops and Secondment Programme. Apart from attending meetings/seminars/workshops, Makati also expressed its full support and commitment through hosting of the following several events of the network:

- Hosted the a) 34th CityNet Executive Committee Meeting (2016); b) 23rd CITYNET Executive Committee Meeting and Parallel Activities (2007); and c) 7th CITYNET Executive Committee Meeting and Seminar on Recycling and Solid Waste Management participated in by representatives from Asia-Pacific and European Countries (1994)
- Hosted the Technical Cooperation among cities of Developing Countries (TCDC) Study Visit Programme of the Pokhara, Sub-Metropolitan City, Nepal on GIS-Based Tax Information System (2013)
- Hosted the CITYNET Disaster Cluster Strategic Action Planning Workshop in Makati City, Philippines (2012)
- Hosted the Study Visit of the CITYNET Regional Workshop on Putting Safety First for the Urban Poor on the Local Agenda Participants (2010)
- Hosted the Visit of the CDRI Organizers (Mr. Rajib Shaw from Kyoto University and Ms. Yuki Matsuoka from UNISDR Hyogo) for their microanalysis study on the implementation of the Hyogo Framework for Action by Local Governments (2010)
- Hosted the Validation Meeting for the CDRI Profiling for Metro Manila Cities attended by experts from Kyoto University and Urban Planners from 15 NCR Cities (2009)
- Hosted the Study Visit of the YouthNet Members in Makati City (2009)
- Hosted the Regional Workshop in Reducing Vulnerability to Climate Change Impacts and Related Natural Disaster in East Asia and Disaster Cluster Meeting (2008)
- Hosted the Technical Cooperation among cities of Developing Countries (TCDC), Technical Advisory Services (TAS) and Study Visit Program on Solid Waste and Wastewater Management (2004)

Makati also led the CITYNET Foundation (CITYNET trust fund) since 2009 after former Makati City Mayor and Vice President of the Philippines, Hon. Jejomar C. Binay, announced in 2006 that the city will host the CITYNET trust fund. Also, the CITYNET Disaster Cluster is led by Makati City which was established in 2005 after the proposal of its creation in the 2005 CITYNET Hanoi Congress.

Over the years, Makati is committed to the vision and mission of CityNet and will continuously support the programs and projects of the Network in the next coming years.
I. Vision for the Sustainability of CityNet

Guide Questions

Please describe your city/organisation’s vision for the management, development and sustainability of CityNet as a Network organization. Please include ideas on how to enhance CityNet’s capacities to meet the needs of members and to face pressing local and global challenges.

Write your answer in A4 size paper not exceeding two (2) pages and attach it with this duly signed Form C.

Date: MARCH 27, 2017
Name of City/Organization: CITY OF MAKATI

Signature: [Signature]
Full Name: MAR-LEN ABIGAIL S. BNAY
Title (Head of City/ Organisation): CITY MAYOR
1. VISION FOR SUSTAINABILITY OF CITYNET

As the city aims to step up from its current position in the organization, it commits to strengthen the capacity of CITYNET and further develop sound and sustainable strategies which shall give a strong impact to recipients/beneficiaries. Aside from providing full support to the CITYNET President and counsel in the management of the network, it shall:

- Keep its members active and connected through enhanced networking and information exchange;
- Enhance CITYNET’s partnership with bi- and multi-lateral organizations and agencies;
- Intensify participation of and collaboration among members, most especially the clusters (environment, infrastructure, MDGs, disaster, and information communication technology) as issues and challenges of these clusters are interdependent; and
- Invite and encourage more cities and agencies globally to become members of CITYNET. Addressing challenges or the needs of members cannot be acted alone by any institution.
II. Potential Contribution to CityNet

Guide Questions

If your city/organisation is elected as a CityNet Executive Committee member, describe what kind of contribution/s your city/organization can give to the network in order to achieve its vision and targets that your city/organisation has described in the Form C.

Write your answer in A4 size paper not exceeding two (2) pages and attach it with this duly signed Form D.

Title (Head of City/Organisation): CITY MAYOR
II. POTENTIAL CONTRIBUTION TO CITYNET

The following are the potential contributions of Makati City:

- Makati City is an ideal venue for various endeavors of CITYNET such as seminars, trainings, and workshops. It will continuously provide resource persons and share expertise and experiences for technical exchange.

- Constituents shall be provided with set of programs generally considered as examples of exceptional governance. The City of Makati is known for its social welfare services, provision of free (for Makati residents) and quality education from elementary to college, livable and ecological environment, and peace and order efforts.

- The city is strongly committed to successful implementation of creating “People-Friendly Cities.”

- Makati will establish linkages through coordination and information dissemination.
