Nomination Form for the Position of Member of the Executive Committee

To the Election Committee of CityNet:

I wish to nominate my city/organisation for the position of Member of the CityNet Executive Committee 2018-2021 and attach herewith the following documents for your consideration.

☐ Form C: Vision for the Sustainability of CityNet
☐ Form D: Potential Contribution to CityNet

Please explain below why your city/organization wished to apply for the position of Member of the Executive Committee. You may write your explanation on a separate A4 size paper not exceeding one page. Please attach it along with the duly signed Form A.

The League of Cities of the Philippines expresses its interest to become a member of the Executive Committee of CityNet.

LCP is the mandated association of cities across the country. Its main function as articulated in Section 499 of the Local Government Code of 1991 is to articulate, ventillate, and crystallize issues affecting city government administration and governance. By being a member of the Executive Committee, LCP can serve as the bridge between Philippine cities and CityNet in reinforcing the importance of CityNet membership (for the benefit of CityNet) and in helping cities of the Philippines to access relevant programs of CityNet designed to improve their capacities.

The membership of LCP in the Executive Committee will provide the necessary mileage for CityNet to improve its presence in the Philippines. CityNet representatives can present in LCP activities such as General Assemblies, convention, and Board meetings. CityNet can take advantage of the vast networks LCP has built over time, within the Philippines, ASEAN region, and across the globe.

By being a member of the Executive Committee, LCP can help CityNet develop relevant programs and activities that would create needed interest from Philippine cities. It would be for the benefit of CityNet and LCP, if LCP becomes a member of the Executive Committee.

I. Vision for the Sustainability of CityNet

Guide Questions

Please describe your city/organization’s vision for the management, development and sustainability of CityNet as a Network organization. Please include ideas on how to enhance CityNet’s capacities to meet the needs of members and to face pressing local and global challenges.

LCP envisions CityNet as a successful regional organization of cities in Asia. It will be the center of knowledge and platform for a lively and healthy policy dialogue between and among cities. To realize this, LCP can use digital technology and its political clout in generating resources and strengthening relevance of CityNet with Philippine cities.

To make this happen, LCP is willing to assist CityNet in organizing international events and fora. In the age of digital technology, LCP and CityNet can organize webinars that way travel expenses and carbon footprint can be lessened.

To ensure that there will be enough resources to fund the projects and programs of CityNet, LCP can help facilitate the collection of membership dues from Philippine cities by reminding the cities to settle their dues and teaching them how to charge it in their General Fund as part of the Maintenance and Operating Expenses.

II. Potential Contribution to CityNet

Guide Questions

*If your city/organization is elected as a CityNet Executive Committee member, describe what kind of contribution/s your city/organization can give to the network in order to achieve its vision and targets that your city/organization has described in the Form C.*

As an Executive Committee member, LCP can contribute time, manpower, and resources to help achieve the conduct of webinars and the collection of CityNet membership dues. LCP has a National Secretariat consists of highly skilled professionals who are highly attuned to the needs of Philippine cities. It has two Departments, the Policy, Programs, and Projects (PPP) Department and the Administrative and Finance (AF) Department.

The PPP Department can help in designing concept note for the webinars or in identifying topics that would be relevant for Philippine cities, while the AF Department can help in the collection of membership dues. LCP can include the CityNet invoice with the LCP invoice, when the latter is collecting the cities payment of membership dues.

Lastly, LCP can co-organize big international events with CityNet here in the Philippines at minimal cost to CityNet. Currently, LCP is co-organizing the ASEAN Mayors Forum with United Cities and Local Governments Asia Pacific (UCLG-ASPAC) to lobby for a local government seat in ASEAN. LCP can organize similar event with CityNet once it becomes a member of the Executive Committee.
